## Meet the Summer Leaders!

**Jaclyn Meinema:** I graduated from the University of Alberta (Augustana) with a degree majoring in Physical Education, and in the fall, I am excited to be starting an After-Degree in Elementary Education. In my spare time I love being active and participating on many sports teams, most recently, the Augustana Vikings Women's Volleyball team. I am excited for a fun summer with the Parks and Recreation Summer Programs!

**Jace Callihoo:** This is my second summer as a program leader. I will be graduating from high school in June and going to university in the fall. I enjoy playing sports such as volleyball and baseball and riding my bike in the mountains. Looking forward to another great season with the Summer Rec Program.

**Jocelyn Fisher:** I am 16 years old and grew up in the Barrhead area. I love all sports, including volleyball, basketball, hockey, skiing, swimming and baseball. When I'm not playing a sport I love to sit down and do some art work—particularly painting and drawing. I also love games and can't wait to hang out with all the kids from the summer program! Let the fun begin!

**Tiara Meier:** I'm a grade 12 student at Barrhead Composite High School. Hockey in my favorite sport and when I'm not on the ice I spend my time playing other sports, such as basketball, and reading. I'm going to the University of Alberta this coming fall to start my Bachelors of Science in Nursing so I can follow my passion of helping others. I look forward to this summer and the adventures we have planned.
